Wells Fargo Today

Wells Fargo & Company (NYSE: WFC) is a leading financial services company that has approximately $1.9 trillion in assets and proudly serves one in three U.S. households and more than 10% of all middle market companies and small businesses in the U.S. We provide a diversified set of banking, investment and mortgage products and services, as well as consumer and commercial finance, through our four reportable operating segments: Consumer Banking and Lending, Commercial Banking, Corporate and Investment Banking, and Wealth and Investment Management. News, insights and perspectives from Wells Fargo are also available at Wells Fargo Stories.

Wells Fargo is seeking to invest up to $50 million in African American Minority Depository Institutions (MDIs). These investments are part of Wells Fargo’s commitment to supporting economic growth in African American communities where MDIs, often community based banks, provide mortgage credit, small business lending, and other banking services.
