One in seven Americans relies on food pantries and meal programs. During the 2017 holiday season, Wells Fargo worked with United Way to help make more holiday meals possible, starting with a $5 million donation, and continuing with the Wells Fargo Holiday Food Bank. In total, the campaign collected more than 251,000 pounds of food nationwide in a little more than a month. In Winston-Salem, N.C. (above) Wells Fargo volunteers packed 500 cases of food, providing 16,000 meals for local students through the Forsyth Backpack Program.
