Debit Card Overdraft Service

When you add this service, your ATM and everyday debit card transactions may be approved at the Bank's discretion when you do not have enough money in your checking or account(s) linked for Overdraft Protection to cover your transaction.

Option 1 – Your account does not come with Debit Card Overdraft Service: If you do not add this service and you do not have enough money in your account, your ATM or everyday debit card transactions will be declined and no overdraft fee will be charged on these transactions.

Option 2 – If you add this option: If you add Debit Card Overdraft Service and an ATM or an everyday debit card transaction overdraws your account, the following fees will apply.

Overdraft fee for ATM and everyday debit card transactions ¹	<p>\$35 per item</p> <p>Note:</p> <ul style="list-style-type: none"> • No fee if you transfer or deposit funds (and no hold is placed on the deposit) to cover the overdraft by the cutoff time posted for the branch or Wells Fargo ATM, on the same business day • No more than three overdraft and/or returned item (non-sufficient funds/NSF) fees will be charged on any business day • No overdraft fees if at the end of our nightly processing, both your ending daily account balance and your available balance are overdrawn by \$5 or less and there are no items returned for non-sufficient funds after all transactions have posted • No extended or continuous overdraft fee

How deposits and withdrawals are processed

Posting order – the order your deposits and withdrawals are processed	<p>Transactions are generally posted each business day in this order:</p> <ul style="list-style-type: none"> • First – deposits or incoming transfers received before the deposit cutoff time that day • Second – your withdrawals/payments that have been previously authorized and cannot be returned unpaid, such as debit card purchases and ATM withdrawals. Transactions generally are sorted by date and time the transaction was conducted or for some transactions the time assigned by our system; if date and time are the same, we post lowest to highest dollar amount. • Third – checks and preauthorized automatic ACH payments (such as bills you pay by authorizing a third party to withdraw funds directly from your account) by date and time received by the Bank, and if date and time are the same, we post from lowest to highest dollar amount
Deposit availability – when your deposits will be made available	<p>Cash deposits: same business day</p> <p>Electronic direct deposits/incoming wire transfers: same business day</p> <p>Check deposits: Funds are generally available on the first business day after the day we receive your deposits. For check deposits made at a Wells Fargo location or ATM, up to \$400 of the deposits may be available on the day of the deposits.</p> <p>If we place a hold on a check, the first \$200 will be available on the next business day. The remaining balance will be available no later than the seventh business day after the day of your deposit. We will notify you of the hold and when the funds will be made available to you.</p> <p>Note: Deposits made before the cutoff time for each branch and Wells Fargo ATM will be processed that day. Deposits made after the cutoff time are treated as made on the next business day.</p>

Dispute resolution

If you have a dispute, we hope to resolve it as quickly and easily as possible. First, discuss your dispute with a banker. If your banker is unable to resolve your dispute, you agree that either Wells Fargo or you can initiate arbitration. The arbitration process is further detailed in the “Resolving disputes through arbitration” section of the Consumer Account Agreement. If a claim is eligible to be resolved in small claims court, you may pursue the claim in small claims court.

¹ Our overdraft fee may apply whether the overdraft is by check, ATM withdrawal, debit card transaction, or other means. The payment of transactions into overdraft is discretionary and the Bank reserves the right not to pay. For example, the Bank typically does not pay overdrafts if your account is not in good standing or you have had excessive overdrafts. You must immediately bring your account to a positive balance.
