1. About This Agreement

(a). Description

(b). Other Agreements with Us

(c). Conflicts Between Agreements

1(a). Description

The Service is subject to this Agreement. The following are also considered part of this Agreement:

- General Terms of Use for the Website.
- Terms or instructions that appear on a screen when enrolling for, activating, accessing, or using the Service.
- Wells Fargo's rules, procedures and policies that apply to the Service, any Eligible Account, or any Online Financial Service.
- The rules and regulations of any funds transfer system or payment system used in connection with an Eligible Account or Online Financial Service.
- State and federal laws and regulations, as applicable.

1(b). Other Agreements with Us

In addition to this Agreement, you may have a separate agreement for each of your Eligible Accounts and Online Financial Services. Those agreements will continue to apply to each of those accounts or services.

1(c). Conflicts Between Agreements

If this Agreement conflicts with another agreement, or another agreement has terms that are not addressed in this Agreement, then the other agreement will control and take precedence, unless this Agreement specifically states otherwise.

The other agreement will only control with respect to the Eligible Account or Online Financial Service it is associated with, and only to the extent necessary to resolve the conflict or inconsistency.

Additional provisions regarding online services or features that appear in another agreement covering your Eligible Account or Online Financial Service, but not in this Agreement, will apply. Example: If your Eligible Account or Online Financial Service is covered by another agreement and a dispute arises between you and us under that agreement, then the dispute resolution and governing law provisions in that other agreement will control.

There are two exceptions to the general rule described above: If another agreement you have with us includes terms that address the Online Access Process, this Agreement will control and take precedence in resolving any inconsistencies between this Agreement and the terms in the other agreement that address the Online Access Process. Also, the original version of this Agreement is in the English language. Any discrepancy or conflicts between the English version and any other language version will be resolved with reference to and by interpreting the English version.

2. The Service

(a). Description

(b). Owners, Authorized Representatives and Delegates

(c). Signature Requirement Waiver

(d). Acknowledgments and Agreements

2(a). Description

Under the terms and conditions of this Agreement, you may use the Service to:

- Access your Eligible Accounts.
- Obtain Online Financial Services.
- Perform authorized transactions through the Website.

For your Eligible Accounts, transactions available to you may include obtaining balance information, transaction history and other information. For some Eligible Accounts, the balances and transaction history may only show activity as of the close of the previous Business Day.

We provide insurance policy information for informational purposes only. Please contact your insurance carrier for current, accurate coverage details.

We will update our Website if we eliminate or introduce new features to the Service.

2(b). Owners, Authorized Representatives and Delegates

If an Eligible Account is owned by more than one person, or has more than one Authorized Representative, each person individually may provide us with instructions, make any decision, obtain any information or make any request associated with the Eligible Account and related Online Financial Services, to the extent allowed by agreements covering the Eligible Account.

If you make someone an Authorized Signer on a Business Eligible Account, and he/she is enrolled in the Service, we can treat him/her as an Authorized Representative.

If you tell us that an Authorized Representative is no longer authorized, we'll consider his/her transactions unauthorized only when:

- You tell us that you did not want or intend the transaction(s); and
- The Authorized Representative performs them after you let us know he/she is no longer authorized; and
- We have reasonable opportunity to act on your notification.

For more details, please see the agreements for your Eligible Accounts and Online Financial Services.

We may offer Delegate Tools (online or otherwise) that help you manage the authority and access of some of your Authorized Representatives and Delegates you appoint.

Additional features include:

- Owners and certain Authorized Representatives of Eligible Accounts may use the Delegate Tools to name a Delegate.
- We may provide Delegate Tools that let one Delegate establish, or manage the access of, another Delegate.
- Delegates who are Authorized Representatives may also have authority in addition to that established using the Delegate Tools.
- We will treat a Delegate appointment by one Owner or certain Authorized Representatives of an Eligible Account as a Delegate appointment by all other Owners of that Eligible Account.
- View Only – Guest users and authorized users may have access to an Eligible Account or Online Financial Service, but only to view balance and transaction information and other non-transactional capabilities as permitted by the Service.
- View and Transact – Authorized users may have access to an Eligible Account or Online Financial Service, and may engage in and authorize specified transactions permitted by the Service.

All Delegate transactions performed on an Eligible Account or Online Financial Service within the scope of the authority you grant using the Delegate Tools, are transactions authorized by you – even transactions you did not want or intend. You are solely responsible for those transactions.

If you use Delegate Tools to change or end the authority of a Delegate, we'll consider transactions unauthorized when:

- You end a Delegate appointment through the Website; and
- You did not intend to make the transaction; and
- We have a reasonable opportunity to act on your notice.

To end a Delegate appointment you made on the Website:

1. Access the Website using your username and password.
2. Select the applicable link to manage access to your accounts on the “More” menu, as applicable for your Service.
3. Follow the directions to delete the Delegate.

You can also call 1-800-956-4442 or the phone number located on your statement for assistance in managing your Delegate access. If you made a Delegate appointment through another area, you may need to follow the process for terminating the Delegate appointment through that same area to ensure all required actions are completed. If the power was granted through a trust instrument or state law, you must act in accordance with all applicable terms or laws.

We may permit you to allow a Delegate to initiate funds transfers or other transactions on an Eligible Account or through an Online Financial Service.

If you allow a Delegate to initiate funds transfers or other transactions, then you agree that for those transactions the Delegate is an Authorized Signer on the Eligible Account, subject to the terms of the separate agreement for your applicable Eligible Account.

If you make someone who is enrolled in the Service an Authorized Signer on an Eligible Account, we may treat that Authorized Signer as a Delegate and automatically assign View and Transact authority to that Delegate.

You agree that you may only appoint Delegates in accordance with the requirements we provide to you. This provision takes precedence over any conflicting provision in any other agreement you have with us. We may discontinue offering Delegate options or permitting Delegates to access your Eligible Account or Online Financial Services at any time, without prior notice.

Some Delegate features may not be available for certain accounts or customers.

A Delegate's authority will end when we have a reasonable opportunity to act on any of the following:

- An Owner or Authorized Representative lets us know that the Delegate's authority is ended.
- An Owner lets us know that the Owner who appointed the Delegate is no longer an Owner on the Eligible Account.
- If we get written notice of the delegating Owner's death/incapacity from a reliable source such as a court. Applies to Consumer and sole-proprietor Business accounts only.
- The Delegate is no longer enrolled in the Service as a Delegate.

We can also end a Delegate's authority if he/she violates any part of this Agreement.

2(c). Signature Requirement Waiver

Any requirement to verify two or more signatures on any item (such as a check) does not apply to electronic or telephone transfers. This means that you're allowing any Authorized Signer on your Eligible Account to individually make electronic or telephone transfers, even though his/her authority to transfer or withdraw funds from your account by some other means (such as by check) must be exercised jointly with one or more other persons.

This provision controls and takes precedence over any conflicting provision in any other agreements you have with us.

2(d). Acknowledgments and Agreements

You agree that:

- Each of your Authorized Representatives will be acting as your agent and will be bound by this Agreement and any separate agreement governing the Eligible Account or Online Financial Service.
- We may rely and act on the instructions of any Authorized Representative.
- All transactions that an Authorized Representative performs on an Eligible Account or Online Financial Service, including those you did not want or intend, are transactions authorized by you. You are solely responsible for those transactions.
- You are solely responsible for supervising all of your Authorized Representatives and monitoring the actions they take on your behalf, whether or not we provide Delegate Tools for managing their authority.
- You will be responsible for ensuring each Delegate maintains the confidentiality of his or her username, password or other login identification.
- Each Delegate will access and use each Eligible Account and Online Financial Service, in accordance with the authority given to the Delegate by the delegating Owner or Authorized Representative.
- Each time the Delegate accesses, views or transacts on an Eligible Account or Online Financial Service, you represent and warrant to us that the delegating Owner authorizes the Delegate's action.
- If we get conflicting instructions, or if we believe that an Eligible Account's security or our security may be at risk as a result of a Delegate, we may at our sole discretion end the Delegate's access to:
 - The Service.
 - An Eligible Account.
 - An Online Financial Service.

We may also prevent the individual from being a Delegate without prior notice to you or any account Owner.

3. Access

(a). Accessing Eligible Accounts and Online Financial Services

(b). Terminating Access

3(a). Accessing Eligible Accounts and Online Financial Services

You authorize Wells Fargo to provide access to your Eligible Accounts and Online Financial Services through the Service. You may access your Eligible Accounts and Online Financial Services through the Website to obtain information and perform transactions authorized on the Website.

To access your Eligible Accounts and Online Financial Services through the Website, you need a username, a password and required hardware and software (see the Website for details). To complete your enrollment in the Service, you will be required to validate your email address. Additionally, you are required to maintain an email address that is continuously operational to receive email communications from us in order to continue to access your Eligible Accounts and Online Financial Services through the Website.

You also have to comply with any other security procedures we may establish. Subject to the terms of this Agreement, you'll generally be able to access your Eligible Accounts and Online Financial Services through the Website 7 days a week, 24 hours a day. Sometimes the Service may be unavailable due to system maintenance or circumstances beyond our control. You must provide all computer, telephone and other equipment, software (other than any software provided by us) and services you need to access the Service.

When using the Mobile Banking Service, you may generally access certain Eligible Accounts through the mobile browser, our mobile apps, or get certain information through text messaging on a Mobile Device.

3(b). Terminating Access

For Violating the Agreement. If you violate any terms of this Agreement (including non-payment of fees under any applicable fee schedule) or any other agreement you have with us, you agree that we may suspend or terminate your access to any of your Eligible Accounts and Online Financial Services. We are not required to reinstate or re-activate your access.

Voluntarily. If you close all your Eligible Accounts and terminate your Online Financial Services, or withdraw from the Service, we may suspend or terminate your access without prior notification. If you close your Eligible Accounts, you could also lose access to your Online Financial Services, and we may terminate your access to the Service. We are not required to reinstate or re-activate your access. If you have no Eligible Accounts linked to the Service, or don't use the Service for a period of 24 consecutive months, we may at our discretion terminate your access without prior notification.

4. Eligible Accounts and Online Financial Services: Additional Provisions

(a). Removing Online Access

(b). Electronic Funds Transfer Timing

(c). System Maintenance

(d). Account Linking and Display

(e). Emails and Text Messages

4(a). Removing Online Access

If you want to remove online access for an Eligible Account, email us through the Service or call:

Credit card, line of credit, loan and mortgage transactions may take up to three Business Days to process, but will post as of the Business Day the transaction was made.

All transfers completed after the transfer cut-off time on a Business Day, or on a day that is not a Business Day, will be posted on the next Business Day.

Please note that electronic funds transfers:

4(c). System Maintenance

During these times, you may be able to call Online Customer Service at 1-800-956-4442, use a Wells Fargo ATM or visit a Wells Fargo branch to obtain information about your Eligible Accounts. For brokerage accounts and services, use our touch-tone service if you're enrolled, contact your Financial Advisor or call 1-877-879-2495.

4(d). Account Linking and Display

Once you enroll for the Service, you can link and display certain Eligible Accounts. Eligible Accounts that are linked and displayed through the Mobile Banking Service may be subject to certain limitations and restrictions.

Eligible Accounts will appear on your Account Summary page on the Website without regard to who else may have an ownership interest in each Eligible Account.

4(e). Emails and Text Messages

6(a). Description

Wells Fargo Bill Pay ("Bill Pay") lets you schedule bill payments through the Service. You must have at least one Eligible Account that is either a Wells Fargo checking account, a Command Asset Program or Priority Credit Line accessible through the Service, to use Bill Pay. You have to be enrolled in the Service to use Bill Pay. You authorize us to add Eligible Accounts that are Wells Fargo credit card or loan accounts as payees in Bill Pay, but depending on your history related to those accounts, we may not automatically establish them as your Bill Pay payees. For certain providers, you may have to provide additional identification information to see the bill detail information from our Website; or you may have to visit your provider's site directly to see bill detail information.

You can arrange, at your option, for the payment of your current, future and automatic (recurring) bills from the accounts listed below. Please note that these accounts, called “Funding Accounts,” have certain payment limits, also listed below.

Account Type	Payment Limit
Wells Fargo checking accounts	\$50,000 per payment
Wells Fargo Money Market Checking accounts	\$50,000 per payment
Wells Fargo business credit card accounts	\$10,000 per payment and per day
Wells Fargo BusinessLine® accounts	\$25,000 per payment and per day
Certain Wells Fargo home equity line of credit accounts	\$10,000 per payment and per day
Certain Wells Fargo personal lines of credit	\$5,000 per payment and per day
The Wells Fargo Advisors Command Asset Program and Priority Credit Line	\$50,000 per payment

Bill Pay payments made with an eligible credit account cannot be used to make payments on other Wells Fargo credit products. A Funding Account may not be used to pay any part of the balance you owe on that Funding Account. Eligible Accounts that require two or more signatures or authorizations to withdraw or transfer funds may not be used as a Funding Account. A Funding Account must remain linked to the Service in order to use the Funding Account for current, future and automatic (recurring) Bill Pay payments.

Other than as stated above, there is no limit to the number of payments that may be authorized (except that payments funded with a credit account are limited to the total of the available credit in the account when payments are made).

You may pay any payee approved by us in the continental United States, Alaska and Hawaii, and the following United States Territories: Guam, Puerto Rico and the Virgin Islands. Payments to a person or business with an APO or FPO address will be made via paper check.

Wells Fargo offers a Bill Pay Payment Guarantee which applies to the use of Bill Pay in certain circumstances. The Bill Pay Payment Guarantee doesn’t apply to payments made to payees outside the continental United States, to any federal, state, or local tax agency; or to court-ordered payments, since we can’t guarantee correct delivery or routing. Bill Pay should not be used to transfer or deposit funds to another financial institution with the intent to deposit funds into a checking, savings, brokerage or other deposit type of account. We can’t guarantee correct delivery or routing and the Bill Pay Payment Guarantee does not cover this type of transfer. If you give us the name and address of a payee, or an image of a payee bill or invoice, you authorize us to follow your payment instructions regarding that payee. In some cases, we may submit payments to the best-known payee name or address. Bill Pay payments sent via paper check with varying payee names may be combined in one envelope if those payments have the same mailing address, and the payee has not registered their full/unique mailing address with the USPS, including their secondary address designation, e.g. - Suite, Room, Floor, Dept., Building, or Unit. If we need to, we’ll change or reformat your payee account number to match the account number or format required by your payee for electronic payment processing and eBill activation.

Bill Pay is intended for your use only. Trying to use Bill Pay to process payments on behalf of someone other than an Owner is prohibited and will be grounds for termination of Bill Pay and your access to the Service.

We may use non-affiliated third parties acting on our behalf to process Bill Pay payments. These third-party processors must adhere to Wells Fargo’s strict security and privacy-protection standards. Paper checks processed by non-affiliated third parties may show that they were drawn on the third-party processor, rather than on Wells Fargo Bank, N.A.

The date a Bill Pay payment starts processing is referred to in this Agreement as the “Payment Send On Date.” Specific details about the Payment Send On Date will be provided on the Service Web pages when you schedule a Bill Pay payment. We may, at our option, pay or refuse to make bill payments funded by checking accounts or a Command Asset Program if it would create an overdraft on those accounts. We will make this decision regardless of whether we’ve previously established a pattern of honoring or dishonoring overdrafts.

If we receive a bill payment drawn against your checking account or a Command Asset Program, and there are insufficient available funds in your Funding Account to cover the payment, we may at our sole discretion:

- Cover the payment by transferring available credit or funds from an account you have linked for Overdraft Protection, or
- Pay the bill payment and create an overdraft on your account, or
- Decline the bill payment, or
- Re-attempt the bill payment the following business day (until this second attempt is completed, the payment is pending and cannot be canceled).

Any negative balance on your Funding Account will be governed by your agreements with us. If a Funding Account is an eligible business credit card or line of credit account, we don't have to make a payment unless that account has sufficient available credit to pay the bill on the Payment Send On Date.

Your account's terms and conditions describe "over limit fees" that may apply to you if any bill payments, associated fees or finance charges cause your credit account balance to exceed the credit limit. The dollar amount of bill payments through your credit account (whether we make these payments electronically or by check) will be charged to that credit account on the Payment Send On Date.

Finance charges (such as interest and transaction fees) may apply to bill payments funded by a credit account; these charges will be shown to you during the payment scheduling process. Please see your credit account agreement and any written disclosure statements for more information.

If your Funding Account closes or is restricted for any reason, we'll cancel all pending payments associated with the account. It will be your sole responsibility to make all pending and future payments.

6(b). Fees

There are no monthly service fees for Bill Pay.

6(c). Monitoring

We don't have any duty to monitor payments made through Bill Pay. If you're a business, and an Authorized Representative of yours uses your Funding Account to pay bills that aren't yours, you assume the entire risk of loss. You also agree to indemnify and hold us and our directors, officers, employees and agents harmless from all loss, liability, claims, demands, judgments, and expenses (including attorney fees) arising from such use.

6(d). Stop/Change Payment

You have the right to stop or change any scheduled bill payment, but you must do so within the secure online session by 7:00 p.m. Pacific Time, on the Payment Send On Date, either by using Bill Pay or by calling Wells Fargo Online Customer Service at 1-800-956-4442.

After 7:00 p.m. Pacific Time, electronic bill payments that are already in process can't be canceled or stopped.

You can stop payment on a bill payment sent by paper check by using the Bill Pay secure online session or by calling 1-800-956-4442. Stop payment requests aren't guaranteed: Payees can present paper check payments to their bank before the stop payment has been properly processed, and once a paper check has been cashed by the payee it cannot be stopped. If we successfully stop the payment of a paper check, it may take up to seven Business Days for the funds to be credited back to your account.

6(e). Scheduling Payments

When making payments through Bill Pay, please allow enough time for your payee to receive your payment and credit your account properly. To avoid incurring a finance or other charge imposed by your payee, you must schedule a payment sufficiently in advance of the payment due date. There will be a delay between the Payment Send On Date (the date your payment starts processing) and the date the payee receives that payment, so you should schedule the payment in accordance with the payment rules displayed on the Make Payment screens. The Payment Send On Date must be at least five full Business Days before the date the payment is due at the payee for check payments and up to three full Business Days (or as shown on the Make Payment screens) for electronic payments. Bill Pay payments sent by check will show the payer of the check as the "Name on Bill" you have provided for that payee record. For scheduling purposes, you should count the first Business Day after your scheduled Payment Send On Date as Business Day one.

Time your payment using the due date of the payment, not the last day of any grace period established by the payee. Payments must be scheduled before 7:00 p.m. Pacific Time to be processed on that day. We will withdraw funds from your Funding Account on the Business Day following your Payment Send On Date. Your Available Balance may be reduced by the amount of your payment on the calendar day following your Payment Send On Date, if that day is not a Business Day. Payments scheduled from brokerage accounts, if permitted, or a Command Asset Program may have different cut-off times.

If a paper check is sent and the check is not presented for payment within 90 days, we'll stop payment on the check and credit the check amount back to your Funding Account.

To avoid sending duplicate payments, if you schedule more than one payment to the same payee for the same amount on the same date, only one payment will be sent.

6(f). Errors and Liability

If we don't properly complete a bill payment on time, or in the correct amount, we'll pay any related late fees or finance charges that you reasonably incur as a result, if your account was in good standing with the payee before the incident.

We will also be liable to you if we don't stop a payment according to your order if the order described the payment with reasonable certainty, and the order was received at a time and in a manner that would let us act on it before the payment was sent or in process.

Except as stated in this Agreement, any stop payment provisions of the agreement governing your Eligible Account that apply to checks will also apply to Bill Pay. We aren't responsible for any charges or fees imposed (including finance charges and late fees), or any other action, taken by a payee resulting from a payment that you didn't schedule properly.

Also, we won't be liable if:

- Any other party that is meant to make a payment fails to properly transmit the payment to the intended payee.
- Your Funding Account and/or overdraft protection plan lacks sufficient funds or credit.
- A legal order directs us to prohibit withdrawals from the Funding Account.
- The Funding Account is closed or frozen.
- Any part of the electronic funds transfer system network is not working properly.

We won't be liable for indirect, special, or consequential damages from using Bill Pay. We don't recognize "grace periods", "late after", or "postmarked by" dates when deciding whether to reimburse late fees or finance charges.

6(g). Joint Accounts

Joint account holders may use the same account as their Funding Account for their individual use of Bill Pay. Each Owner of an Eligible Account and each Delegate with access to that account has the same right of access to account activity – notifying Online Customer Service of suspected loss, fraud or canceling Bill Pay, etc.

Owners and Delegates (provided they are Authorized Signers) may enroll in Bill Pay individually. If they do, they will need a unique password and will have a separate payee list and payment history.

6(h). Termination

Wells Fargo may terminate your access to Bill Pay without prior notice if you:

- Have Bill Pay and don't schedule or process a payment through Bill Pay for any 24-month period.
- Use Bill Pay for other, unauthorized purposes.
- Establish more than 999 payees.
- Close your checking account, Command Asset Program or Priority Credit Line and don't designate a new checking account, a Command Asset Program or Priority Credit Line as a Funding Account within 30 days.

If Wells Fargo terminates your use of Bill Pay, your online bill payment information will be lost and all pending payments will be canceled and are your sole responsibility.

If you decide to terminate Bill Pay, we strongly suggest that you cancel all future bill payments at the same time that you cancel Bill Pay, either by deleting those payments yourself using Bill Pay or by calling Wells Fargo Online Customer Service at 1-800-956-4442. Once we have been notified that you have terminated Bill Pay, we'll automatically delete all outstanding payment orders (all individual payments and all recurring payments).

6(i). Conflicts Between Sections

If this Section 6 conflicts with any other provisions of this Agreement, this Section governs with respect to Bill Pay.

6(j). Additional Provisions (Business Accounts Only)

The provisions in this Section 6(j) apply only to bill payments from Business accounts. For payment requests from Business accounts, which are subject to Article 4A of the Uniform Commercial Code ("UCC 4A"), we're liable only for damages required to be paid under UCC 4A. We'll never be liable for any exemplary, special, indirect, or consequential loss, damage, costs or expense of any nature, including, without limitation, lost profits, even if we have been informed of the possibility of such damages, except as may be required by law.

6(k). Acknowledgments and Agreements

You agree:

- To pay our fees associated with multiple transaction attempts. Fees may vary depending on the action we take.
- That you will only use Bill Pay to pay bills and invoices, and not for any other purpose.
- That the password security described in Section 19 of this Agreement sets forth security procedures for electronic funds transfers that are commercially reasonable.
- If you don't access your Eligible Accounts through the Service for any 24-month period, we may terminate all or any part of the Service.

However, we won't be liable if:

- (b). Overdrafts
- (c). Fees
- (d). Monitoring
- (e). Stop/Change Instructions
- (f). Scheduling Payments
- (g). Errors and Liability
- (h). Additional Provisions (Business Accounts Only)

8(a). Description

The Wells Fargo Same Day Payments Service (“SDP Service”) is intended only for your use as the subscriber to the service. It lets you make one-time same-day payments to a participating payee for an additional fee.

- You must be enrolled in Bill Pay to use the SDP Service.
- You can make a same day payment only from an Eligible Wells Fargo checking account, a Command Asset Program or Priority Credit Line (the “SDP Service Account”), up to a maximum of \$50,000 per payment.
- You can’t use accounts that require two or more signatures or authorizations to withdraw or transfer funds with the SDP Service.

By furnishing us with the name and address of a payee, you authorize us to follow your payment instructions regarding that payee. If we need to, we’ll reformat your payee account number to match the format your payee requires for electronic payment processing.

The SDP is intended for your use only. Trying to use SDP to process payments on behalf of someone other than an Owner is prohibited and will be grounds for termination of SDP and your access to the Service.

We may use nonaffiliated third parties acting on our behalf to process your same-day payments. These third-party processors must adhere to Wells Fargo’s strict security and privacy protection standards.

For a same day payment request submitted before the applicable cutoff time displayed on the Make Payment screens, we’ll debit your SDP Service Account and send funds to the payee that same day (which may be a non-Business Day).

8(b). Overdrafts

We may pay, or refuse to make, the same day payment if it would create an overdraft on your SDP Service Account. We will make this decision regardless of whether we’ve previously established a pattern of honoring or dishonoring overdrafts.

We may take any of the following actions at our sole discretion, if we get a same day payment drawn against your SDP Service Account and there aren’t enough available funds in your SDP Service Account to cover the bill payment without prior notice to you:

- Cover the same day payment in accordance with the terms of any written overdraft protection plan that you and we have established; or
- Pay the same day payment and create an overdraft to your SDP Service Account; or
- Decline to make the same day payment.

Any negative balance on your SDP Service Account will be governed by your agreements with us about the SDP Service Account. You agree to pay any applicable overdraft fees, which may vary depending on the action we take.

8(c). Fees

The SDP Service has service fees.

8(d). Monitoring

We aren’t required to monitor payments made through the SDP Service. If you’re a business, and your Authorized Representative uses your SDP Service Account to pay bills that aren’t yours, you assume the entire risk of loss and indemnify and hold us, our directors, officers, employees, and agents harmless from all loss, liability, claims, demands, judgments, and expenses arising from such use.

8(e). Stop/Change Instructions

Payments that are in process cannot be canceled or stopped. You can't cancel a same day payment after you submit it.

8(f). Scheduling Payments

You may make a same day payment to a participating payee by submitting your request before the cut-off time specified on the Make Payment screens. For each same day payment, you get a separate payment confirmation notice that confirms:

- That your same day payment has been made.
- Details of the payment.
- A payment reference number.

The SDP Service permits duplicate payments on the same day: If you schedule more than one payment to the same payee, for the same amount on the same date, all of the scheduled payments will be sent.

8(g). Errors and Liability

If we don't properly complete a same day payment on time, or in the correct amount, we'll pay any resulting late fees or finance charges you reasonably incurred, so long as your account was in good standing with the payee before the error.

We aren't responsible for any charges imposed (including finance charges and late fees) or any other action taken by a payee resulting from a payment that you didn't schedule properly. Also, we aren't liable if:

- Any other party making a same day payment fails to properly transmit the payment to the intended payee.
- There are insufficient available funds or credit availability in your SDP Service Account and/or overdraft protection plan.
- A legal order directs us to prohibit withdrawals from the SDP Service Account.
- The SDP Service Account is closed or frozen.
- Any part of the electronic funds transfer system network is not working properly.

We aren't liable for indirect, special, or consequential damages arising from using the SDP Service. We don't recognize "grace periods" or "late after" dates when deciding whether to reimburse late fees or finance charges.

8(h). Additional Provisions (Business Accounts Only)

The provisions in this section apply only to same day payments from business accounts. For payment requests from Business Eligible Accounts, which are subject to Article 4A of the Uniform Commercial Code ("UCC 4A"), we're liable only for damages required to be paid under UCC 4A. In no event will we be liable for any special, indirect or consequential loss, damage, costs or expense of any nature, including, without limitation, lost profits, even if we have been informed of the possibility of such damages, except as may be required by law. You agree that the security procedures required by us under this Agreement set forth security procedures for electronic funds transfers that are commercially reasonable.

Bank-to-Bank Transfer Service (“Transfer Service”) lets you transfer funds:

- From your Wells Fargo checking and/or savings accounts to your accounts at other United States financial institutions (“Financial Institutions”);
- From your accounts at other Financial Institutions to your Wells Fargo checking and/or savings accounts;
- From your brokerage accounts with Wells Fargo affiliates to your checking and/or savings accounts at other Financial Institutions; and
- From your checking and/or savings accounts at other Financial Institutions to your brokerage accounts with Wells Fargo affiliates.

In this section “Account(s)” refers to each of the accounts referenced above.

For brokerage clients, Wells Fargo provides the online transfer access on the Website and the brokerage affiliate transfers the money according to requests made on the Website.

In addition to the terms of the Agreement, your use of the Transfer Service is subject to:

- Terms or instructions appearing on the screen when using the Transfer Service; and
- Our rules, procedures and policies and the account agreements applicable to the Accounts used in the Transfer Service.

To use the Transfer Service you must:

- Be of legal age and a resident of the United States;
- Have at least one Account with us; and
- Agree to the E-Sign Consent and this Agreement; and
- Be enrolled in a Service.

If your Accounts and/or Service are terminated for any reason, you will have no further right or access to use the Transfer Service.

9(b). Information Authorization for non-Wells Fargo Accounts

We may verify the Accounts that you add to the Transfer Service. You authorize us to validate the Accounts in a manner selected by us, including through the use of a test transfer, in which one or more low value payments credited to and debited from your non-Wells Fargo Account. Once the test transfer is complete we may ask you to access this Account to tell us the amount of the test credit or debit or any additional information reported by your Financial Institution with this test transfer. We may also verify Accounts by requiring you to submit proof of ownership of the Account(s).

9(c). Accounts

By using the Transfer Service, you represent and warrant to us that:

- You own or are an authorized signer on the Account held with us and at the non-Wells Fargo Financial Institution;
- Your Account at the non-Wells Fargo Financial Institution is a United States account;
- Your Account and applicable law permit transfers;
- When transferring funds to and from a Wells Fargo affiliate brokerage Account, the non-Wells Fargo Account is a checking or savings account and is not a brokerage or other type of financial account;
- You have the right to authorize and permit us to access your Accounts to complete such funds transfers or for any other purpose authorized by this section;
- By disclosing to us and authorizing us to use Account information and complete the transfer you are not violating any third party rights; and
- Information you provide to us is true, current, accurate and complete.

You hereby authorize and permit us to use information you submit to make transfers and to configure the Transfer Service to be compatible with the Accounts.

At all times your relationship with each non-Wells Fargo Financial Institution is independent of Wells Fargo and your use of the Transfer Service. We will not be responsible for any acts or omissions by the non-Wells Fargo Financial Institution, including without limitation, any modification, interruption or discontinuance of any Account by such Financial Institution, or by any other third party.

Not all types of accounts are eligible for funds transfer. We may decline the use of any Account that we believe may present a risk to you and/or us. Be sure to check with your Financial Institution for restrictions regarding transfers among your retirement (401k, IRA, etc.), savings, trusts, loans, custodial, business, corporate and other account types. Excess activity fees may apply if you exceed federally-mandated transaction limits for savings accounts. For more information, please refer to your account agreement with the Financial Institution that maintains your Account.

9(d). Transfer Types and Limitations

Type of Transfers. We may add new features to the Transfer Service, including a next day service and a higher limit service. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. We may at any time decline a funds transfer that we believe may violate applicable law.

Frequency of Transfers. We do not limit the number of funds transfers you may make; however, you may not make funds transfers in excess of the number of funds transfers allowed by the rules and regulations governing the applicable Accounts. For security and risk management reasons we may modify the limit, the frequency and the dollar amount of transfers you can make using our Transfer Service. The limits on the frequency and dollar amount of transfers are solely for the protection of Wells Fargo.

Dollar Amount of Transfers. You may not make funds transfers in excess of dollar limits for the Transfer Service. We reserve the right to change the dollar amount of funds transfers you are permitted to make using our Transfer Service. In the event that your use of the Transfer Service has been suspended and reinstated as provided below (see Section 9(g) Suspension and Reinstatement of Transfer Service), you understand and agree that your use of the Transfer Service thereafter may be subject to lower dollar amount limitations than would otherwise be permitted by us.

Transfers subject to the Rules of the Accounts. All funds transfers are subject to the rules and regulations governing the relevant Accounts. You may not initiate any funds transfers from or to an Account that are not allowed under the rules or regulations applicable to such Account including rules or regulations designed to prevent the transfer of funds in violation of the Office of Foreign Asset Control (OFAC) regulations.

Failure or Rejection of Transfers. Upon learning that the funds transfer could not be completed, we may, but are not required to, make a reasonable effort to complete the transfer again. If the funds transfer fails, we will notify you to contact your non-Wells Fargo Financial Institution to learn more about the failure.

We reserve the right to decline (i) any funds transfer or (ii) to submit funds transfer instructions or orders or (iii) to carry out change or cancellation requests.

You represent and warrant to us that you have enough money in the non-Wells Fargo Accounts to make any funds transfer you request that we make on your behalf through the Transfer Service. If we receive a transfer request against your Account and there are not enough available funds in your Account to cover the transfer, we may at our sole discretion:

- Cover the transfer in accordance with the terms of any written overdraft protection plan that you and we have established;
- Cover the transfer and create an overdraft to your Account; or
- Decline the transfer.

We may make the decision regardless of whether we may have previously established a pattern of honoring or dishonoring overdrafts. Fees may vary depending on the action we take. Any negative balance on your Account is immediately due and payable, unless we agree otherwise in writing, and you agree to reimburse us for the costs and expenses (including attorney fees and expenses) we incur in recovering the negative balance (including overdraft and associated fees).

Your Right to Cancel a Transfer. Payments that are in process cannot be canceled or stopped. When the Transfer Service offers recurring and/or future one time transfers, you may cancel any transfer as long as we receive the request before the process date of the one-time transfer or the next scheduled recurring transfer. For recurring transfers, you may cancel only the next scheduled transfer or the entire recurring transfer schedule. After the entire recurring transfer schedule is canceled, all future transfers will be canceled and you must reschedule it if you want transfers to be made in the future.

You may cancel a transfer by logging on to the Transfer Service or by contacting us at Wells Fargo Online Customer Service at 1-800-956-4442.

9(e). Authorization

You agree that your transfer instructions are the authorization for us to complete the funds transfer. You authorize us to select any means to execute your funds transfer instructions, such as the Automated Clearing House (ACH), wire transfer or check. You will be bound by the rules and regulations that govern the applicable funds transfer systems, such as CHIPS or ACH rules as published by the National Automated Clearinghouse Association (NACHA).

We will make all reasonable efforts to process your transfer requests in a timely manner; however, we reserve the right to hold funds pending settlement or for such period of time as we deem necessary, in our sole discretion, to cover items which may be returned unpaid. For Wells Fargo Accounts, any interest earned on such funds during the hold period will remain the property of Wells Fargo. For brokerage Accounts at a Wells Fargo affiliated broker-dealer, any interest will remain in the brokerage Account.

To complete your funds transfer we may utilize ACH transfers, which will result in a debit to one of your Accounts and a credit to another of your Accounts. All Wells Fargo ACH transfers go through a Wells Fargo transfer account. For ACH debit entries (which debit your other Account and credit your Wells Fargo Account), Wells Fargo Bank typically holds funds for 3-4 business days to make sure that the item will not be returned unpaid before we will credit your Account. The hold times may vary for brokerage accounts at a Wells Fargo affiliated broker-dealer. If the ACH transaction is returned for any reason and the payment has been credited to your Account, you authorize us to debit your Account, in whole or in part, for the amount of the returned item and for any returned item fee.

We will notify you of such charge in advance of the transaction. If you choose to proceed with the transaction, you authorize us to debit your Account in the amount indicated.

9(f). Transfer Service Changes and Discontinuation

Depending on the type of transfer or the type of your Wells Fargo Account we may charge fees, for the use of the Transfer Service, and for any additional services or features that we may introduce. We will notify you of such charge in advance of the transaction. If you choose to proceed with the transaction, you authorize us to debit your Account in the amount indicated. You agree to pay all fees associated with the use of the Transfer Service.

We may modify or discontinue the Transfer Service or your Account(s) with us, with or without notice, without being liable to you, any other user or any third party.

9(g). Suspension, Reinstatement and Termination

Without limiting any other right or remedy that we may have under this Agreement or otherwise, we reserve the right to suspend your right to use the Transfer Service, immediately and without prior notice to you, if we incur a problem with your use of the Transfer Service. For example, if there is a failure in attempting to debit any of your Accounts or to collect any of your funds transfers as described above. You understand and agree that such action is reasonable for us to take in order to protect Wells Fargo from loss. In the event of such suspension, you may request reinstatement of your service by contacting us at 1-800-956-4442.

In our sole discretion we may grant or deny reinstatement of your use of the Transfer Service. If we agree to reinstate you, we may initially reinstate your Transfer Service subject to lower per-transaction and monthly dollar limits and/or with other restrictions. Based upon your subsequent usage of the Transfer Service, we may restore your ability to complete transfers subject to such higher limits as may then be in effect.

Subject to applicable law, we may terminate your right to use the Transfer Service at any time and for any reason, including if in our sole judgment we believe you:

- Engaged in conduct or activities that violate any of the terms of this Agreement or our rights; or
- Provided us with false or misleading information; or
- Interfered with other users or the administration of the Transfer Services.

9(h). No Unlawful or Prohibited Use

As a condition of using the Transfer Service, you warrant to us that you will not use the Transfer Service for any purpose that is unlawful or is not permitted, expressly or implicitly, by the terms of this Transfer Service or by any applicable law or regulation. You further warrant and represent that you will not use the Transfer Service in any manner that could damage, disable, overburden, or impair the Transfer Service or interfere with any other party's use of the Transfer Service. You may not obtain or attempt to obtain any materials or information through any means not intentionally made available or provided for through the Transfer Service. These warranties and representations will remain in full force and effect even if this Agreement terminates for any reason.

9(i). Account Number Policy

If the instructions for a transfer under the Transfer Service identify a bank or beneficiary by name and account number, we or the relevant Financial Institution may execute those instructions by reference to the number only, even if the number does not correspond to the name. You agree that neither we nor the relevant Financial Institution will have responsibility to investigate discrepancies between names and numbers.

9(j). Joint Account Holder (For Consumer Accounts Only)

By using the Transfer Service, you confirm that, if your Accounts are held jointly, your joint account holder has consented for you to use your Accounts for the Transfer Service. Each joint account holder on Accounts at Wells Fargo has the right of access to account activity and to view transfers scheduled to be debited from the Wells Fargo Account.

For your Wells Fargo Bank checking and savings Accounts, a joint account holder may cancel, but not edit, any pending or scheduled transfer where funds are being transferred from a Wells Fargo Bank Account if the cancellation occurs before the transaction is sent for processing. We may end your use of the Transfer Service if any joint account holder notifies us that (i) the joint account holder never consented to your use of our Transfer Service, (ii) the joint account can no longer be operated on your instructions alone, or (iii) the joint account holder is withdrawing consent for you to use the joint account for the Transfer Service.

For your brokerage accounts with Wells Fargo affiliates, any joint account holder may cancel or edit online any pending transfer or scheduled transfer if the cancellation occurs before the transaction is sent for processing and the cancellation or edit functionality is available online. The brokerage account agreement between you and the Wells Fargo brokerage affiliate sets forth the terms and conditions relating to joint accounts.

9(k). Your Responsibility for Errors

We must rely on the information you provided, and you authorize us to act on any instruction, which has been or reasonably appears to have been sent by you, to submit funds transfer instructions on your behalf. Financial Institutions receiving the funds transfer instructions may rely on such information. We are not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. If you provide us with incorrect information or if there is any error in your instruction we will make all reasonable efforts to reverse or delete such instructions, but you accept full responsibility for losses resulting from any of your errors, duplication, ambiguities or fraud in the information that you provide. If any information you provide is untrue, inaccurate, not current or incomplete, without limiting other remedies, we may recover from you any costs or losses incurred as a direct or indirect result of the inaccurate or incomplete information.

We are not responsible for errors, delays and other problems caused by or resulting from the action or inaction of Financial Institutions holding the non-Wells Fargo Account. Although we will try to assist you in resolving any such problems, you understand that any such errors, delays or other problems are the responsibility of the relevant Financial Institution. Any rights you may have against a Financial Institution for such errors, delays or other problems are subject to the terms of the agreements you have with such Financial Institution, including any time limits during which complaints must be made.

Please see EFT Provisions (Consumers) in Section 11 in this Agreement for terms and conditions that apply to electronic funds transfers that debit or credit a consumer checking, savings or other asset account and are subject to Regulation E.

9(l). Our Liability

If we do not provide a funds transfer instruction on time, if we cause an incorrect amount to be removed from an Account or if we cause funds from an Account to be transferred to any account other than the Account specified in the applicable funds transfer instruction, we shall be responsible for returning the improperly transferred funds and/or for directing any misdirected funds to the proper Account.

We are not liable for any costs, fees, losses or indirect, special or consequential damages of any kind incurred as a result of:

- Our debit and/or credit or inability to debit and/or credit the accounts in accordance with your funds transfer instructions; or
- Inaccuracy, incompleteness or misinformation contained in the information retrieved on the accounts; or
- Charges imposed by any non-Wells Fargo Financial Institution or by applicable law; or
- Funds transfer limitations set by the non-Wells Fargo Financial Institutions or applicable law; or
- Not enough money in your Account to make the funds transfer; or
- Transfers exceeding the credit limit on any applicable overdraft line; or
- System failures at a non-Wells Fargo Financial Institution and we are unable to complete the transfer; or
- Circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken; or
- Third party caused, including your non-Wells Fargo Financial Institution; or
- Any further limitations on liability as otherwise stated in the agreement(s) governing your Account(s) with us.

There may be additional exceptions to our liability stated in this Agreement.

Except as otherwise required by law, we will in no event be liable for any losses and damages other than those arising from gross negligence or willful misconduct on our part or if we breach a representation or warranty from this Agreement.

9(m). Security

Wells Fargo protects your personal information and privacy as disclosed in the Privacy and Use of Information (Section 20) of this Agreement and under the Privacy, Cookies, Security and Legal link on wells Fargo.com.

Security Procedures. The Financial Institution at which your account is maintained may contact us to verify the content and authority of funds transfer instructions and any changes to those instructions. In connection with the Transfer Service we may provide to that Financial Institution such information as may be required to verify the instructions and the verification may constitute a valid security procedure under the rules governing that Account.

Deviating from Security Procedures. You permit us to authorize your non-Wells Fargo Financial Institution to accept funds and transfer instructions in accordance with any authorization procedures you and such Financial Institution have agreed upon, or that we, on your behalf, and such Financial Institution have agreed upon, without verifying the instructions under the established security procedures, regardless of whether you agreed to the security procedures or we agreed on your behalf. In addition, we may authorize such Financial Institutions to charge and debit your Accounts based solely on these communications.

Additional Provisions for Business Accounts. The provisions in this section 9 apply only to transfers to and/or from business accounts. You agree that the password security described in the OAA and in this Section 9 sets forth security procedures for funds transfers that are commercially reasonable. For transfer requests to and/or from business accounts, which are subject to Article 4A of the Uniform Commercial Code (“UCC 4A”), you agree that we are liable only for damages required to be paid under UCC 4A except to the extent such damages are covered by the Online Security Guarantee. In no event will we be liable for any special, indirect or consequential loss, damage, costs or expense of any nature, including, without limitation, lost profits, even if we have been informed of the possibility of such damages, except as may be required by law.

10. Wells Fargo ATM Access Code Service

- (a). Description
- (b). Fees
- (c). Security
- (d). Termination
- (e). Consent to Receive Text Messages
- (f). Additional Terms Applicable to the ATM Access Code Service

10(a). Description

You can request a one-time code to use at certain Wells Fargo ATMs without having your physical Card. Once we receive and validate your request, we will send or generate a code that is good for a single use. We will display this code within our mobile app or send this code to your mobile phone via text message if requested. The length of time that this one-time use code can be used will be provided with the code.

Frequency and limits on use. You will be able to make the same type of transactions using the one-time code that you can make using your ATM or debit card. Frequency and dollar limitations apply to ATM Access Code Transactions. Also, ATM withdrawal amounts are subject to your account balance and the current ATM daily dollar withdrawal limits for your card.

Qualifications. To use the ATM Access Code Service, you must have an Eligible Account. ATM Access Code Transactions can only be made at a Wells Fargo ATM.

10(b). Fees

Wells Fargo does not currently charge a fee for the ATM Access Code Service. However, your mobile carrier’s message and data rates may apply.

10(c). Security

YOU MAY NOT SHARE THE ATM ACCESS CODE. YOU AGREE TO KEEP IT SECURE AND CONFIDENTIAL. IF YOU DO NOT KEEP THE CODE SECURE AND CONFIDENTIAL, YOU COULD PUT YOUR ACCOUNT AT RISK AND LOSE MONEY. In the event your code is lost or compromised, you agree to promptly notify Wells Fargo.

10(d). Termination

Wells Fargo may terminate or suspend your ability to use the ATM Access Code Service at any time.

10(e). Consent to Receive Text Messages

You agree that you are expressly authorizing Wells Fargo (and any party acting on behalf of Wells Fargo) to contact you at the mobile phone number you have provided. You agree that Wells Fargo may use automatic telephone dialing systems in connection with text messages sent to your phone. You will promptly notify Wells Fargo in the event you change your phone number.

10(f). Additional Terms Applicable to the ATM Access Code Service

“Business Day” means Monday through Friday, and excludes Saturday, Sunday and federal banking holidays.

Your liability for unauthorized ATM Access Code Transactions. Tell us AT ONCE if you believe that an ATM Access Code Transaction has been made without your permission or your code has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus funds in any line of credit, savings account, or credit card linked to your account or as part of an Overdraft Protection plan). If you tell us within 2 Business Days after you learn of an unauthorized ATM Access Code Transaction, you can lose no more than \$50 if someone made an ATM Access Code Transaction without your permission, subject to Zero Liability protection.

If you do NOT tell us within 2 Business Days after you learn of an unauthorized ATM Access Code Transaction, and we can prove we could have stopped the unauthorized ATM Access Code Transaction if you had told us, you could lose as much as \$500, subject to Zero Liability protection.

If your deposit statement shows an ATM Access Code Transaction that you did not make or authorize, tell us at once. If you do not tell us within 60 days after the deposit statement was mailed, made available, or transmitted to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking your money if you had told us on time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

Contact in the event of unauthorized ATM Access Code Transactions. If you believe that an ATM Access Code Transaction has been made without your permission or your one-time code has been lost or stolen, call Wells Fargo Phone Bank at 1-800-869-3557 or the number listed on your statement or write: Wells Fargo, Customer Correspondence, P.O. Box 6995, Portland, OR 97228-6995.

Bank liability for failure to complete an ATM Access Code Transaction. If we do not complete an ATM Access Code Transaction on time or in the correct amount, according to our agreement with you, we will be liable for your losses or damages as specified in these Terms and Conditions. However, there are some exceptions. We will NOT be liable if:

- Through no fault of ours, you do not have enough money in your account to make the transaction;
- The transfer would go over the credit limit on a credit account linked for Overdraft Protection;
- The ATM where you are making the transfer does not have enough cash or is not working properly;
- Circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction, despite reasonable precautions we have taken.

Receipts at ATMs. You can get a receipt at the time you make any transfer to or from your account using one of our ATMs. You can also choose to email the receipt to your personal email address on file or your wells Fargo.com inbox, or text your receipt to the mobile phone number on file.

In case of errors or questions about ATM Access Code Transactions. Telephone the Wells Fargo Phone Bank at 1-800-869-3557 or write Wells Fargo, Customer Correspondence, P.O. Box 6995, Portland, OR 97228-6995, if you think your statement or receipt is wrong or if you need more information about an ATM Access Code Transaction listed on the statement or receipt.

We must hear from you no later than 60 days after the date we send the FIRST statement on which the problem or error appeared:

- Tell us your name and account number
- Describe the error or the ATM Access Code Transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you send your complaint or question in writing within 10 Business Days.

We will determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question about your ATM Access Code Transaction, and if so we will provisionally credit your account within 10 Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not credit your account. The 10 Business Day period described in this section is changed to 20 Business Days if the ATM Access Code Transaction at issue occurred during the first 30 days your account is open. The 45-day period described in this section is changed to 90 days for errors involving new accounts.

We will tell you the results within 3 Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation within 3 Business Days after we finish our investigation. You may ask for copies of the documents that we used in the investigation.

Use of Information. You agree that we may obtain such additional information as we deem reasonably necessary to insure that you are not using the ATM Access Code Service in violation of law, including, but not limited to, laws and regulations designed to prevent “money laundering” or the transfer of funds to or from persons or organizations whose accounts are blocked under regulations of the Office of Foreign Asset Control (OFAC) of the United States Treasury Department.

You agree that we may use, copy, modify, update, display, and distribute to other persons any information or data you provide to us for the purpose of processing ATM Access Code Transactions or providing the ATM Access Code Service.

You authorize us to use information you provide to us in order to:

- Initiate and complete ATM Access Code Transactions; and
- Provide ancillary and supporting services in accordance with your instructions.

We may also disclose information to third parties about your account or the transfers you make in order to process your ATM Access Code Transactions, or to verify the existence and condition of your account. The third parties may include, but are not limited to, transaction processors, clearinghouses, credit bureaus and merchants.

11. Electronic Funds Transfer Provisions (Consumers)

(a). Applicability

(b). Your Liability

(c). Errors/Unauthorized Electronic Funds Transfers/Questions

(d). Documentation

(e). Changes to Debit Amounts

(f). Stop Payment Orders for Pre-authorized Electronic Funds Transfers

(g). Acknowledgments and Agreements

11(a). Applicability

The provisions in this Section 11 apply only to EFTs that debit or credit a Consumer’s checking, savings or other asset account and are subject to Regulation E. You can find the terms and conditions that apply to electronic funds transfers (EFTs) that debit or credit a brokerage account in your brokerage account agreement, not this Agreement.

When applicable, we may rely on any exceptions to the provisions in this Section that are covered in Regulation E. All terms in this Section not defined in this Agreement but defined in Regulation E will have the meaning given in Regulation E.

11(b). Your Liability

Except for EFTs to or from brokerage accounts, your liability for an unauthorized EFT or a series of related unauthorized EFTs will be determined as follows:

<i>If you notify us...</i>	<i>Your liability won’t exceed...</i>
Within two Business Days after learning of the loss or theft of your password	\$50; or the amount of unauthorized EFTs that occur before notice to us, whichever is less.
More than two Business Days after learning of the loss or theft of your password	\$500; or \$50, plus the amount of unauthorized EFTs that occurred within the two Business Days, plus the amount of unauthorized EFTs that occur after the close of two Business Days and before notice to us.

To avoid liability for subsequent transfers, you must report unauthorized EFTs that appear on a periodic statement within 60 days of our transmittal of the statement. If you don't, your liability won't exceed the amount of the unauthorized EFTs that occur after the close of the 60 days and before notice to us, and that we establish would not have occurred had you notified us within the 60-day period. You may also be liable for the amounts described in the table above.

If your delay in notifying us was due to extenuating circumstances, we'll extend the times specified in the immediately preceding paragraphs to a reasonable period.

11(c). Errors/Unauthorized Electronic Funds Transfers/Questions

Here's how to notify us when you believe that an error, unauthorized EFT, or unauthorized transfer has been or may have been made:

- **Phone.** 1-800-956-4442, 24 hours a day, 7 days a week.
- **Paper Mail.** Wells Fargo Bank, N.A., P.O. Box 4132, Concord, CA 94518-4917.
- **Email.** Sign on to the Service with your password and use the appropriate form. For questions or errors about online funds transfers, use the Transfers and Deposits Questions form. For questions or errors about bill payment transactions, use the inquiry forms accessible through Bill Pay.

To notify us of errors in brokerage account transfers, follow the procedures in your brokerage account agreement.

We must hear from you no later than 60 days after the date we send the first statement on which the problem or error appeared.

When contacting us about an error or with questions, please tell us:

- Your name and account number (if any).
- About the error or the transfer you question, and clearly explain why you believe it is an error or why you need more information.
- The dollar amount and date of the suspected error.

If you report a problem by phone, we may need you to submit your complaint or question in writing within 10 Business Days. We'll determine whether an error occurred within 10 Business Days after we hear from you, and will promptly correct any error. If we need more time to conduct our investigation, we'll notify you of our need for an extension of up to 45 days. If we decide to do this, we'll credit your account within 10 Business Days for the amount you think is in error, so you can use the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and don't receive it within 10 Business Days, we may not credit your account.

We may permit you to initiate or monitor the status of certain kinds of complaints or questions electronically on the Website. Complaints or questions you initiate via the process we provide on the Website will be considered as written.

For errors involving new accounts, point-of-sale or foreign-initiated transactions, our investigation may take up to 90 calendar days. For new accounts, we may take up to 20 Business Days to credit your account for the amount you think is in error. We'll tell you the results within three Business Days after completing our investigation. If we decide that no error occurred, we'll send you an explanation. You can ask for copies of the documents that we used in the investigation.

11(d). Documentation

The cardholder will receive a receipt each time an ATM or in-branch kiosk is used to make an electronic transfer to or from your Eligible Account, unless the cardholder is notified otherwise before completing the transaction. The receipt is evidence of the transaction as recorded by the ATM or the Service; all transactions are subject to posting, final payment or verification. You can use the receipt to reconcile the statement for the Eligible Account.

You have the right to find out whether an EFT was credited to your Eligible Account. To do so, contact us at the number listed on your statement for your Eligible Account.

We'll send you a monthly statement if there are EFTs in a particular month. Otherwise, we'll send you a statement at least quarterly.

11(e). Changes to Debit Amounts

If you authorize a person to regularly debit your Eligible Account, and the amount varies from the previous amount debited, he/she must tell you, at least 10 days before each debit, when the debit will be made and how much it will be.

11(f). Stop Payment Orders for Pre-authorized Electronic Funds Transfers

To place a stop payment order on preauthorized EFTs, call us at the number listed on the statement for your Eligible Account at least three Business Days before the scheduled transfer date. We'll need:

- Your name and the account number associated with the transfer;
- The exact name of the payee;
- The exact payment amount; and
- The scheduled transfer date.

If you don't provide correct and complete information, we may not be able to stop payment of the preauthorized EFT. If we pay a preauthorized EFT despite a valid stop payment order, we may require you to provide us with an affidavit describing in detail the dispute.

11(g). Acknowledgments and Agreements

You agree to indemnify and hold us harmless from and against any loss incurred by us if we don't pay a preauthorized EFT because:

- Any of the information relied upon in the stop payment order is incorrect or incomplete; or
- A valid stop payment order is in effect.

Many account documents – including statements, tax documents, and legal notices – can be delivered online for certain Eligible Accounts and Online Financial Services. You have the option to view, save, or print PDF versions of your account documents from the Website via desktop, tablet or mobile device.

Any legal notices or disclosures about your Eligible Account or Online Financial Service that would normally accompany your paper account statement, or that we would mail to you, may be delivered to you electronically. In some cases, we must continue to mail paper statements, legal notices and disclosures even if you elect to receive them electronically.

We may offer you additional options/preferences for delivery of various communications related to your Eligible Accounts or Online Financial Services. The following is a brief description of the various features of and requirements for using online statements and documents. We may add to, modify, or delete any feature of online statements and documents at our sole discretion.

14(b). Eligible Accounts

Most Eligible Account statements and documents can be delivered online. You can determine online statement eligibility by signing on to the Website.

14(c). Enrollment

Online statements and documents are available for certain Eligible Accounts or Online Financial Services if you have completed enrollment in the Service and provided us with a valid email address. Once enrolled, we will send you an email notice notifying you when your statement or document is available on the Website. To ensure that you continue to receive such email notifications, you must notify us of any changes or updates to your email address. We may revoke your online-only statement and document option and change your delivery preference to U.S. Mail if you don't maintain a valid email address.

Depending on the Eligible Account or Online Financial Service, one or more of the following may be true:

- Many Eligible Accounts and Online Financial Services automatically come with online-only delivery for statements and documents. This means you will no longer get paper statements and documents, unless required by law. You can change your delivery preference back to U.S. Mail at any time.
- For Eligible Accounts or Online Financial Services that don't automatically come with online-only delivery, you must choose online-only delivery for that Eligible Account or Service.

14(d). Check Images

For deposit accounts, you may view online images of the individual checks posted to your account. If you currently receive an account statement with check images in paper format, once you choose online-only statements and documents, you will no longer receive the check images as part of the statement. You can ask us to mail a photocopy of a canceled check to you (additional fees may apply).

14(e). Access

You can access your online statements and documents (including legal notices and disclosures) on the Website.

Statements are available online for up to a maximum of seven years, depending on the type of account enrolled. Statements for some types of Eligible Accounts or Online Financial Services are available for shorter time frames. If you didn't choose online-only delivery when the account was first opened, there may be a gap in the historical statements available online for some types of Eligible Accounts.

For some types of Eligible Accounts or Online Financial Services, there may be a delay of up to several weeks after enrollment before you can start viewing statements and documents online. You can still request historical account statements (fees may apply); please refer to the applicable account agreement and disclosures for details.

14(f). Portfolio by Wells Fargo

For *Portfolio by Wells Fargo* customers, only the Owners or Authorized Representative(s) of the primary checking account in the *Portfolio by Wells Fargo* program (Program Owners) will have access to the entire online combined statement.

Other account(s) may be linked to the *Portfolio by Wells Fargo* program in either a Detail Level Format or Summary Level Format, as available:

- If Detail Level Format – all information regarding the linked account will be included in the combined *Portfolio by Wells Fargo* statement in detail. A standalone online-only account statement will be created for the linked account only if one or more additional owners of the linked account are not owners of the *Portfolio by Wells Fargo* program.
- If Summary Level Format – account information will be included in the combined *Portfolio by Wells Fargo* statement in summary and a standalone account statement will be created for the linked account and delivered based on that account's delivery preference.
- The owners of the *Portfolio by Wells Fargo* program, as well as, any additional owners of linked accounts are responsible for verifying the accuracy of the account information.

14(g). Year-end Tax Reporting Documents

Online year-end tax documents may be available to customers with certain account types who are enrolled in the Service and provide a valid email address for the Service. You don't have to complete a separate enrollment process to view your tax documents online. This option is available regardless of whether we also mail your paper tax documents.

You are entitled to receive paper versions of your tax documents by U.S. Mail. By selecting Online as your Delivery Preference, you are consenting to receive those tax documents electronically instead. Please make note of the following important information:

- Your consent applies to all the tax documents you have designated for Online delivery. The consent for each form designated will remain in effect for every year that form is required to be furnished until the consent is withdrawn in the manner provided below. Tax documents will remain available to you online until at least October 15 of the year in which they are delivered for Eligible Accounts (except for closed accounts, as provided in Section 3(b) of this Agreement).

- You may withdraw your consent to electronic delivery by changing your Delivery Preferences back to U.S. Mail at any time from the “Manage Delivery Preferences” section of this website, by calling customer service at 1-800-956-4442, 24 hours a day, 7 days a week (Wells Fargo Advisor accounts call 1-877-879-2495), or in writing to Wells Fargo Bank N.A., PO Box 4132, Concord CA 94518-4917. Note that Delivery Preference changes will be reflected immediately on the Website but may take up to two business days to take effect. Depending on timing, delivery preference changes for tax documents may not take effect for the upcoming tax season.
- You will receive confirmation via email of any change to your Delivery Preference. Should you change your Delivery Preference to U.S. Mail, this email will be the written confirmation of your withdrawal of consent to electronic delivery.
- You may obtain a paper copy of any tax document we deliver electronically by calling customer service at 1-800-956-4442, 24 hours a day, 7 days a week; or for Wells Fargo Advisors accounts, please contact your Financial Advisors . Requesting a paper copy of your electronically-delivered tax document does not change your Delivery Preference or withdraw your consent to electronic delivery.
- Tax documents will no longer be delivered to you electronically if you close the related account or end your online banking relationship with us.

You may update your contact information and email address within the “Profiles and Settings” section found in the “More” menu on this website. To change the email address associated with your brokerage notifications, once you have changed your email, then go to the “Delivery Preferences” section found within the “Brokerage, Customer Service” section on this website.

Wells Fargo Online Technical Requirements describes in detail the hardware and software you need to access and print your tax documents. In summary, you will need:

- a current version of an Internet browser we support,
- a current version of a program that accurately reads and displays PDF files (such as Adobe Acrobat Reader), and
- a computer and an operating system capable of supporting all of the above.

You will also need a printer if you wish to print out and retain records on paper, and electronic storage if you wish to retain records in electronic form.

Service fees apply to accessing Bill Pay through your Financial Management Software and are detailed on the Website. Your Internet, telephone, and/or mobile device service provider may assess other fees and bill them separately.

- **Account information in your Eligible Accounts may reflect transactions as of a prior time period and may not be current when you download the information.**
- **We won't automatically update account information that you download to your Financial Management Software. You will have to update the Eligible Account information by downloading more current information from your accounts (for example, stock prices, and/or the value of the investments we hold in your brokerage account, may be reflected at the prices at the close of the prior trading day and not at the current prices).**
- **Eligible Account information may include information you provided to us (for example, cost or tax basis information for securities we have transferred into your brokerage account); you're solely responsible for the accuracy of this information.**
- **We aren't liable for any loss, damages or expenses of any kind as a result of your reliance upon the Eligible Account information in your Financial Management Software (which may not be up to date and may not include pending transactions such as a stock sales or purchases that haven't settled).**

19. Security

(a). Description

(b). Usernames and Passwords

(c). Protecting Your Security

(d). Acknowledgments and Agreements

19(a). Description

You need a username and password, or other Wells Fargo approved security and authentication controls, to access your Eligible Accounts and Online Financial Services through the Service. We may set standards for your username and password. We recommend that you change your password regularly, and select a unique username and password combination for use only with the Service.

We may also require additional security procedures for certain transactions. These additional security procedures may require special hardware, software or third-party services. To enhance the security of your Eligible Accounts and Online Financial Services, we may also offer you additional, optional security procedures. These could include personal reference questions and answers, random number generators or one-time passwords.

We may also require the use or activation of specific applications, Internet browser software features, plug-ins and add-ons, to use the Service. These could include JavaScript support and “cookies.”

To enable and enhance secure access to the Service, we may also access detailed information about the computers and Mobile Devices you use to access the Service. This could include telephone numbers and unique internal and network identifiers for your computers and Mobile Devices. We also use cookies and other technology for information security and other purposes, as described in our Digital Privacy and Cookies Policy.

19(b). Usernames and Passwords

You can change your username and/or password within the Service or by calling 1-800-956-4442 (1-877-879-2495 for Wells Fargo Advisors accounts).

We may require you to change or update your username and/or password at any time. If we change these standards, you may have to change your password to meet the new standards. We aren't required to give you advance notice that we have changed the standards, or that we're requiring you to change or update your password. You are responsible for keeping your password confidential. We recommend you select a unique username and password combination for use only with the Service, and memorize it rather than writing it down.

19(c). Protecting Your Security

Even though information exchanged through the Service is protected by advanced encryption techniques while being transmitted, you still need to protect your username and password for the Service.

You must notify us immediately if you suspect fraudulent activity on your Eligible Account or if you believe that:

You agree that:

- We may place cookies and other identifiers on the computers and Mobile Devices you use to access the Service.

20(b). Acknowledgments and Agreements

You agree that:

- We may collect and retain certain information and use that information to market our products and services to you. To the fullest extent permitted by law, we make no warranties of any kind for the Service, either express or implied, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose.

We do not warrant that the Service will be uninterrupted or error free, that defects will be corrected, or that our Website that makes the Service available is free of viruses or other harmful components.

22(b). Limits on Liability and Obligations

Wells Fargo and its officers, directors, shareholders, parents, subsidiaries, affiliates, agents, licensors, or third-party service providers are not liable for any:

- Indirect damages.
- Incidental damages.
- Special damages.
- Punitive damages.

This is true whether these damages occur in an action under contract, or from negligence or any other theory, arising out of, or in connection with, this Agreement, the Service, or the inability to use the Service.

In addition to reasons such as scheduled system maintenance, damages could arise from circumstances beyond our control, even if we advise you of the possibility of such damages. These circumstances could include (but are not limited to):

- Any loss or liability you may incur resulting wholly or partly from failure or misuse of your equipment or software provided by an external company (such as an Internet browser provider, an Internet access provider, an online service provider or an agent or subcontractor of any of them).
- Any direct, indirect, special or consequential, economic or other damages arising in any way from your access/use/failure to obtain access to the Service. Wells Fargo does not make any representation that any content or use of the Service is appropriate or available for use in locations outside of the continental United States, Alaska or Hawaii.

We won't be obligated to honor, in whole or in part, any transaction or instruction that:

- We have reason to believe involves funds or other property subject to a hold, dispute, restriction or legal process we believe prevents the transaction or instruction.
- Would violate any applicable provision of any risk control program of the Federal Reserve, the Office of the Comptroller of the Currency, or any applicable rule or regulation of any other federal or state regulatory authority.
- Is not in accordance with any other requirement of our policies, procedures or practices.

You are providing this indemnification without regard to whether our claim for indemnification is due to the use of the Service by you, your Authorized Representative or your Delegate.

23. Dispute Resolution Program: Waiver of Class Action Rights and Arbitration Provisions

(a). Description

(b). Non-judicial Dispute Resolution

(c). Definition of Disputes

(d). Binding Arbitration and Waiver of Class Action Rights

(e). Rights Preserved

(f). Miscellaneous

(g). Fees and Expenses

(h). Small Claims Court

23(a). Description

This Section 23 constitutes the arbitration agreement between you and us, and includes a mutual waiver of class action rights. It governs disputes about the following, which are known as "Covered Disputes":

- Interpretation of this Agreement (which includes this arbitration agreement and whether a disagreement is a "dispute" subject to binding arbitration as provided for in this arbitration agreement).
- The Service.
- The Online Access Process.
- Online Financial Services ("Covered Disputes").

This section does not cover the following disputes:

- Disputes about Eligible Accounts that are brokerage accounts. These are governed by the Pre-Dispute Arbitration Agreement and governing law provisions contained in the brokerage account agreement document, which takes precedence over this section.
- Disputes arising under any separate agreement governing your other Eligible Accounts. These are governed by the dispute resolution and governing law provisions of that agreement, which also take precedence over this section.

23(b). Non-judicial Dispute Resolution

You and we agree that any Covered Disputes between or among you and us, regardless of when it arose, will, upon demand by either you or us, be resolved by the arbitration process described in Section (d) below. **You understand and agree that you and we are each waiving the right to a jury trial or a trial before a judge in a public court.**

As an exception to this Arbitration Provision, we both retain the right to pursue disputes in small claims court in the state where you reside if the dispute lies within that court's jurisdiction.

23(c). Definition of Disputes

A dispute is any unresolved disagreement between or among you and us. Disputes include:

- Claims based on broken promises or contracts.
- Torts (injuries caused by negligent or intentional conduct) or other wrongful actions.
- Statutory, common law, and equitable claims.
- Any disagreement about the meaning of this Arbitration Provision.
- Whether a disagreement is a "dispute" subject to binding arbitration as provided for in this Arbitration Provision.

23(d). Binding Arbitration and Waiver of Class Action Rights

Binding arbitration lets an independent third party resolve a Covered Dispute without using the court system, judges or juries. Either you or we may require the submission of a Covered Dispute to binding arbitration at any reasonable time, even if a lawsuit or other proceeding has begun. If either you or we don't submit to binding arbitration following a lawful demand, the one who fails to so submit bears all costs and expenses (including attorney's fees and expenses) incurred by the other in compelling arbitration.

Neither you nor we will be entitled to:

- **Join, consolidate or combine Covered Disputes by or against others in any arbitration; or**
- **To include in any arbitration any Covered Dispute as a representative or member of a class; or**
- **To act in any arbitration in the interest of the general public or in a private attorney-general capacity.**

Each arbitration, including the selection of the arbitrator, will be administered by the American Arbitration Association ("AAA") or such other administrator as you and we may mutually agree to (the AAA or such other mutually agreeable administrator to be referred to here as the "Arbitration Administrator"), according to the Commercial Arbitration Rules and the Consumer Arbitration Rules ("AAA Rules").

To the extent that there is any variance between the AAA Rules and this Arbitration Provision, this Arbitration Provision will control. Arbitrator(s) must be a member of the state bar where the arbitration is held, with expertise in the substantive laws applicable to the subject matter of the Covered Dispute.

You and we each agree that in this relationship:

- You and we are participating in transactions involving interstate commerce.
- The Arbitrator will decide any dispute regarding the enforceability of this Arbitration Provision.
- Each arbitration is governed by the provisions of the Federal Arbitration Act (Title 9 of the United States Code) and, to the extent any provision of that Act is inapplicable, unenforceable or invalid, the laws governing the relationship between you and us about which the Covered Dispute arose.

To find out how to initiate arbitration, please call any office of the AAA or visit the AAA Website at www.adr.org. If any of the provisions of this arbitration agreement dealing with class action, class arbitration, private attorney general action, other representative action, joinder, or consolidation is found to be unlawful or unenforceable, that invalid provision shall not be severable and this entire arbitration agreement shall be unenforceable.

23(e). Rights Preserved

This Arbitration Provision and the exercise of any of the rights you and we have under this Arbitration Provision do not stop either of us from exercising any lawful rights to use other remedies available to:

- Preserve, foreclose, or obtain possession of real or personal property.
- Exercise self-help remedies, including setoff and repossession rights.
- Obtain provisional or ancillary remedies such as injunctive relief, attachment, garnishment or court appointment of a receiver by a court having jurisdiction.
- Enforce your rights under section 502 of the Employee Retirement Income Security Act of 1976.

23(f). Miscellaneous

You and we each agree to take all steps and execute all documents necessary for the implementation of arbitration proceedings. The arbitrator may hear and rule on appropriate dispositive motions as part of the arbitration proceeding, such as motions for judgments on the pleadings, summary judgment, or partial summary judgment.

All parties (the AAA, the arbitrators, you and we) must, to the extent feasible, take any action necessary to ensure that an arbitration proceeding, as described in this Arbitration Provision, is completed within 180 days of filing the Covered Dispute with the AAA. The parties must not disclose the existence, content, or results of the arbitration, except for disclosures of information required in the ordinary course of business or permitted by applicable law or regulation. This provision will be liberally construed to ensure the enforcement of this Arbitration Provision.

Arbitration proceedings are conducted in the state where you reside or at a location determined by the AAA. All statutes of limitations that apply to any Covered Dispute apply to any arbitration between you and us.

The provisions of this Arbitration Provision will survive termination, amendment, or expiration of your Account relationship, the governing Agreement or any other relationship between you and us.

This Arbitration Provision constitutes the entire agreement between you and us and supersedes all prior arrangements and other communications about dispute resolution. If more than one arbitration agreement mutually entered into by you and us potentially applies to a Covered Dispute, the one most directly related to the Eligible Account or transaction that is the subject of the dispute will control.

23(g). Fees and Expenses

Arbitration fees shall be determined by the rules or procedures of the Arbitration Administrator, unless limited by applicable law. Please check with the Arbitration Administrator to determine the fees that apply to any arbitration you may file. If the law that applies to this Agreement limits the amount of fees and expenses you have to pay, then no allocation of fees and expenses to you shall exceed this limitation. Unless inconsistent with applicable law, each of us shall bear the expense of our own attorney, expert and witness fees, regardless of which of us prevails in the arbitration.

23(h). Small Claims Court

Notwithstanding anything in the Agreement to the contrary, each party retains the right to pursue in Small Claims Court any dispute in which the remedy sought is entirely within that court's jurisdiction.

24. Notices and Communication

(a). Description

(b). Electronic Delivery

(c). Phone Calls and Text Messages

(d). Returned and Unclaimed Information

(e). Contact Information Changes

(f). Implementation of Notices

(g). Acknowledgments and Agreements

24(a). Description

Except as expressly provided otherwise in this Agreement, we'll provide notices and other information regarding your Eligible Account, Online Financial Service, or the Service (collectively "Account-Related Information") electronically, through the mail or by other means. We'll send this information to the postal or electronic address ("E-Address") of the Owner of the applicable Eligible Account or Online Financial Service as reflected in our records, unless you specify a different postal or E-address.

E-Addresses include email addresses, other Internet addresses, text messaging numbers or other electronic access addresses provided to us in accordance with this Agreement. Any Account-Related Information will be considered "sent" on the first Business Day following the date on the communication.

Account-Related Information held for pickup or posted on our Website will be deemed to be delivered to/received by you when we make it available for pick-up, display it to you or send notice in accordance with this Agreement that it is posted on our Website. The person receiving the notice has to provide copies of all Account-Related Information to all joint Owners, Delegates, or other persons with access to the applicable Eligible Account or Online Financial Service.

We can communicate all Account-Related Information to you through the U.S. Postal Service or overnight courier, at our sole option.

24(b). Electronic Delivery

Unless applicable law states otherwise or pursuant to the E-SIGN Consent to Use Electronic Records and Signatures, when we need to provide you with information in writing, we can send it electronically, either:

- To your E-Address (if applicable and you have provided us with a valid email address); or
- By posting the information to our Website; or
- To your online banking secure mailbox, or other electronic means.

24(c). Phone Calls and Text Messages

We may phone you or send you text messages. You consent to our leaving prerecorded/artificial voice messages and using an automatic telephone dialing system to call or text your mobile/cellular telephone number. Our calls and text messages to your mobile/cellular telephone numbers could result in charges to you.

We won't use an automatic telephone dialing system to make telemarketing calls or send marketing text messages to your mobile/cellular telephone numbers, and won't use an artificial or prerecorded voice to deliver telemarketing messages to your mobile/cellular telephone or wired residential telephone based on the agreements you make in this Section 24.

24(d). Returned and Unclaimed Information

Unless otherwise prohibited by the laws governing your Eligible Account or Online Financial Service, this Sub-section (d) applies if Account-Related Information documents are returned or electronic notifications are returned as undeliverable.

This means we can stop sending Account-Related Information or electronic notifications to you until you provide a valid postal or valid email to us.

We may also:

- Destroy Account-Related Information sent to you and returned to us as undeliverable.
- Hold the Account-Related Information for your Account for you to pick up.
- Stop sending the Account-Related Information through current delivery method and use an alternative delivery method. For example, if we're sending Account-Related Information to you via the U.S. Postal Service, and the information is returned to us as undeliverable on two or more occasions, we may attempt to deliver the information to your E-Address instead.
- Suspend access to your Eligible Accounts or Online Financial Services.

If we hold Account-Related Information for you to pick up and it remains unclaimed for 60 days, we may send the Account-Related Information to the address reflected in our records for your Eligible Account or destroy it.

24(e). Contact Information Changes

You must notify us immediately in the event of a change to your address, E-Address or phone number. Address changes may be initiated:

- At your request – you can instruct us to change the address or E-Address to which we send notices or Account-Related Information about your Account at any time.
- If we get an address change notice from the U.S. Postal Service.
- If another party in the business of providing correct address information notifies us that the address in our records no longer corresponds to your address.

We may act on instructions purportedly made on your behalf within a reasonable time after we receive them.

Unless you instruct us otherwise, we may change the U.S. Postal Service address or E-Address only for the account(s) you specify, or for all or some of your other account(s) with us.

Please note that:

- To change the address associated with an employer-sponsored retirement or deferred compensation plan, follow the address-change procedures established by your employer or plan administrator.
- Contact your insurance carriers directly to change any insurance policy record. Address changes made with us won't be reported to any of your insurance carriers.

24(f). Implementation of Notices

Any notice you send us won't be effective until we actually receive it and have a reasonable opportunity to act on it. If your Eligible Account has multiple Owners, we may send Account-Related Information to any one of them.

You assume the risk of loss in the mail or other transit. Any notice or Account-Related Information we send you will be effective when mailed, sent electronically, or otherwise made available to you.

24(g). Acknowledgments and Agreements

You agree that:

- We may satisfy our obligation to provide you with an annual copy of our Privacy Policy by keeping it available for review on our Website.
- We may call you and text you to service your accounts, collect any amount you may owe or discuss our relationship, products and services with you. If your only relationship with us is as a participant in an employer-sponsored retirement or deferred compensation plan, or as an owner of a Shareowner Services Account, this paragraph won't authorize us to make telephone calls or send text messages to discuss other products or services we offer.
- Information is deemed delivered to you if it is sent electronically as described in this Section.

26(a). Amendments

Except as otherwise required by law, we may in our sole discretion change the terms of this Agreement at any time. This may include adding new or different terms to, or removing terms from, this Agreement.

We’ll update this Agreement on the Website on or before the effective date that changes are made, unless an immediate change is necessary to maintain the security of the system or unless a law, rule or regulation requires it be updated earlier. If we can’t disclose a change without jeopardizing the security of the system, this Agreement will be updated within 30 days after the change.

We’ll notify you as soon as possible when any changes are made that materially affect your rights, such as changes regarding how your information is maintained or used, or significant changes to the terms of this Agreement. By continuing to use the Service after we send you notice of any change, you agree to the change.

Changes to fees or terms that apply to Eligible Accounts are governed by the agreement otherwise governing the specific account. Except as otherwise required by law, any change to this Agreement applies only to transactions that occur, or claims that arise, after the amendment becomes effective.

26(b). Termination

This Agreement will be in effect from the date we accept your enrollment in the Service and at all times while you’re using the Service or any Online Financial Service. Unless otherwise required by applicable law, either of us can terminate this Agreement and/or your access to any Eligible Account or Online Financial Service through the Service, in whole or in part, at any time, without notice.

The termination of this Agreement won’t end your obligations or our rights under this Agreement before the termination.

We can suspend and/or reinstate access to an Eligible Account or Online Financial Service through the Service, in whole or in part, at our discretion, at any time. To request reinstatement of an Eligible Account or Online Financial Service, call 1-800-956-4442. If reinstated, the then-current terms of this Agreement will control.

If you don't access your Eligible Accounts through the Service for a period of 24 consecutive months, we may terminate your Service, including Online Financial Services accessed through the Service, without prior notice to you.

To cancel any of your Online Financial Services, call 1-800-956-4442 or write to Wells Fargo Bank, N.A. P.O. Box 4132, Concord, CA 94518-4917. For Wells Fargo Advisors accounts, call 1-877-879-2495.

All applicable provisions of this Agreement will survive termination by either you or us, including, without limitation:

- Provisions related to intellectual property.
- Warranty disclaimers.
- Limitations of liability.
- Indemnification.

26(c). Governing Law

Each of your Eligible Accounts and Online Financial Services will continue to be read and interpreted according to the laws described in the agreements you have with us regarding those Eligible Accounts or Online Financial Services (for example, your deposit account agreement or your credit card agreement with us).

This Online Access Agreement will be read and interpreted according to the laws of the State of South Dakota, without regard to conflict-of-law rules.

In any legal action or claim regarding this Online Access Agreement, the prevailing party will be entitled to recover costs and reasonable attorney fees.
