

California Consumer Privacy Act record-keeping disclosure

General information

The following summary contains California residents' data requests volume for calendar year 2020.

Data requests received		Data requests complied with in whole or in part		Data requests denied		Average number of days to respond	
Access	Delete	Access	Delete	Access	Delete	Access	Delete
1643	592	1478	550	165	42	5	16

Definition:

- Average number of days to respond – The average number of days it took to respond and close a data request

Note: Because Wells Fargo does not sell data, it does not offer an opt-out from sale of data. As a result, this document does not contain information on opt-outs from sale.
