

The Wells Fargo Private Consolidation loan

Wells Fargo Private ConsolidationSM loan worksheet¹

Thinking about consolidating multiple private student loans or refinancing a single loan? This worksheet is designed to help you gather the information you need to apply. Get started using the three easy steps below:

1. Determine if you are eligible to apply for a Wells Fargo Private Consolidation loan by meeting these requirements:

- Have a total private student loan balance of at least \$5,000 and each individual loan must have a minimum loan balance of \$1,000
- Be a U.S. citizen or U.S. national, or be a permanent resident alien with proper evidence of eligibility
- Meet credit, employment, and debt-to-income requirements

Note: Federal student loans cannot be included in a Wells Fargo Private Consolidation loan. For more information on federal student loans, visit studentaid.ed.gov/sa/repay-loans.

2. Complete the chart below with your current private student loan information.

Private student loans						
Lender/Service name	Name on account	Account number	Interest rate	Variable or fixed interest rate	Current balance	Monthly payment
Total amounts:						

3. When you apply, have the following information ready:

- Social Security number
- Employment and income information
- Permanent U.S. address
- Requested consolidation loan amount
- Cosigner information (if needed)
