The remaining balance will be available no later than the seventh business day after the day of your deposit. We will notify you of the hold and when the funds will be made available to you.</p> <p>Note: Deposits made on a business day before the posted cutoff time at a branch, Wells Fargo ATM, or through Mobile Banking will be processed that day. Dispute resolution

If you have a dispute, we want to resolve it as quickly and easily as possible. First, discuss your dispute with a banker. If your banker is unable to resolve your dispute, you agree that either Wells Fargo or you can initiate arbitration. The arbitration process is further detailed in the "Resolving disputes through arbitration" section of the Deposit Account Agreement. If a claim is eligible to be resolved in small claims court, you may pursue the claim in small claims court.

Our overdraft fee applies whether the overdraft is by check, electronic payment, everyday (one-time) debit card or ATM transaction (if applicable), or other means. The payment of transactions into overdraft is discretionary and the Bank reserves the right not to pay. For example, the Bank typically does not pay overdrafts if your account is overdrawn or you have had excessive overdrafts. You must promptly bring your account to a positive balance.
