Transactions generally are sorted by date and time the transaction was conducted or, for some transactions, the day we receive it for payment or the time assigned by our system; if date and time are the same, we post lowest to highest dollar amount. • Third – checks and preauthorized automatic ACH payments (such as bills you pay by authorizing a third party to withdraw funds directly from your account) by date and time received by the Bank, and if date and time are the same, we post from lowest to highest dollar amount.
Deposit availability – when your deposits will be made available	<p>Cash deposits: same business day</p> <hr/> <p>Electronic direct deposits/incoming wire transfers: same business day</p> <hr/> <p>Check deposits: Funds are generally available on the first business day after the day we receive your deposits. If we place a hold on a check, the first \$225 may be available on the next business day. The remaining balance will be available no later than the seventh business day after the day of your deposit. We will notify you of the hold and when the funds will be made available to you.</p> <p>Note: Deposits made on a business day before the posted cutoff time at a branch, Wells Fargo ATM, or through Mobile Banking will be processed that day. Dispute resolution

If you have a dispute, we want to resolve it as quickly and easily as possible. First, discuss your dispute with a banker. If your banker is unable to resolve your dispute, you agree that either Wells Fargo or you can initiate arbitration. The arbitration process is further detailed in the “Resolving disputes through arbitration” section of the Deposit Account Agreement. If a claim is eligible to be resolved in small claims court, you may pursue the claim in small claims court.

¹Our overdraft fee applies whether the overdraft is by check, electronic payment, everyday (one-time) debit card or ATM transaction (if applicable), or other means. The payment of transactions into overdraft is discretionary and the Bank reserves the right not to pay. For example, the Bank typically does not pay overdrafts if your account is overdrawn or you have had excessive overdrafts. You must promptly bring your account to a positive balance.

²Fees may be waived or discounted based on the type of account you have. Talk to a banker for additional details.

³Fee is waived if you have any qualified business account that offers no fee cashier’s checks or money orders as an account benefit.
